

Story 1

Two men are fighting in front of a bus. Read carefully and choose what you would have done in that situation.

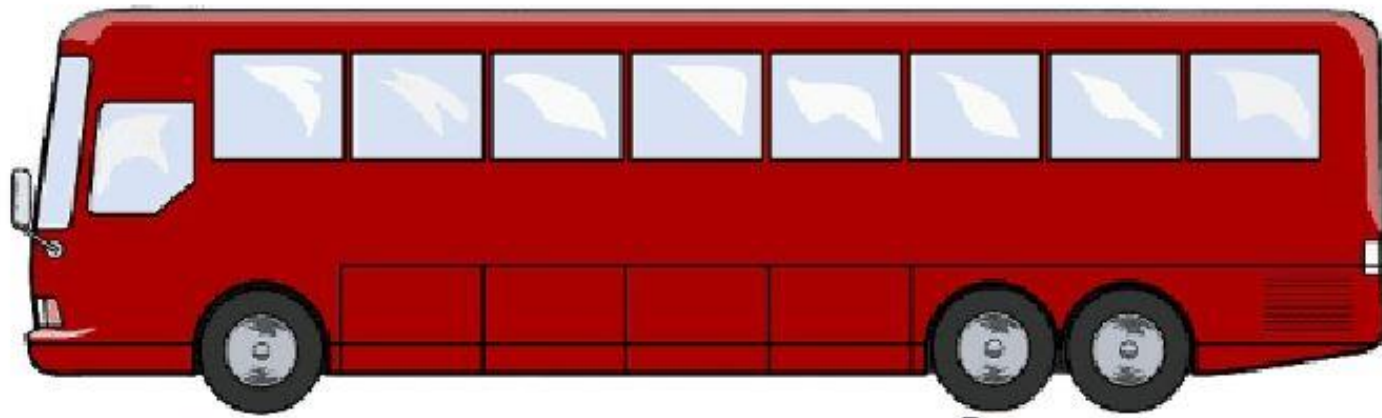

NO!!

You are not
allowed to
board this
bus with us!

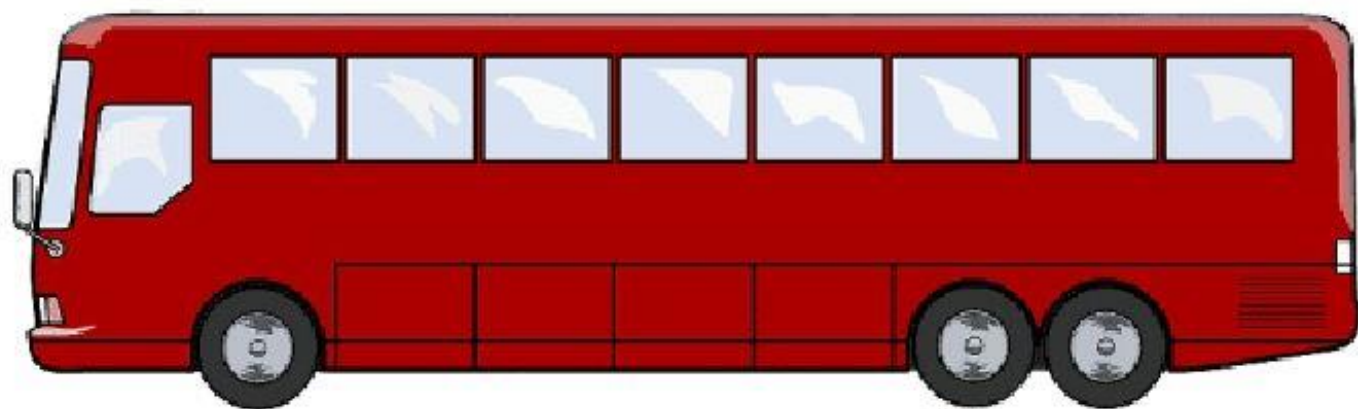

But Why???

Cant you see??
You are black!! You do not belong here. Go back to where you came from!!

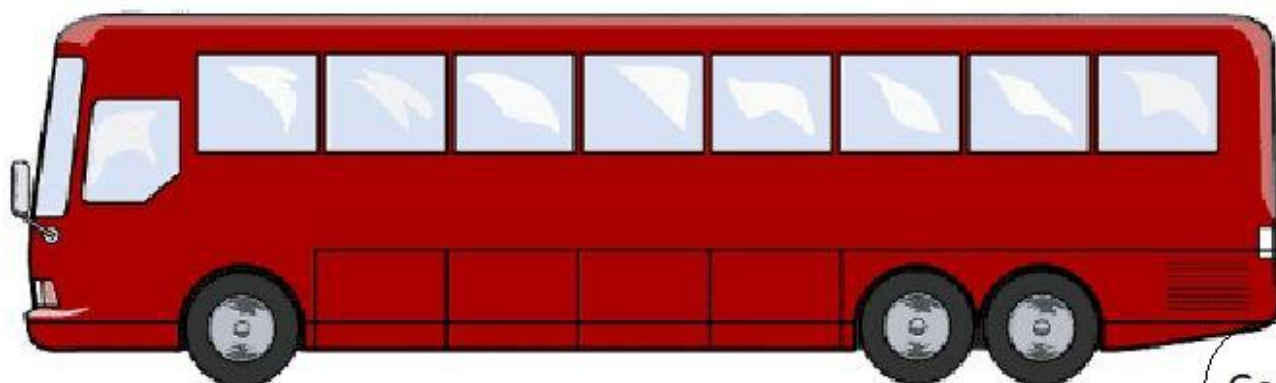

But thats so rude. I dont mean you any harm. I just want to visit my friends.

How dare
you call me
rude??
You and
your friends
are all a
problem.
Go away!!

Please dont
say that.
They are all
very kind
people.

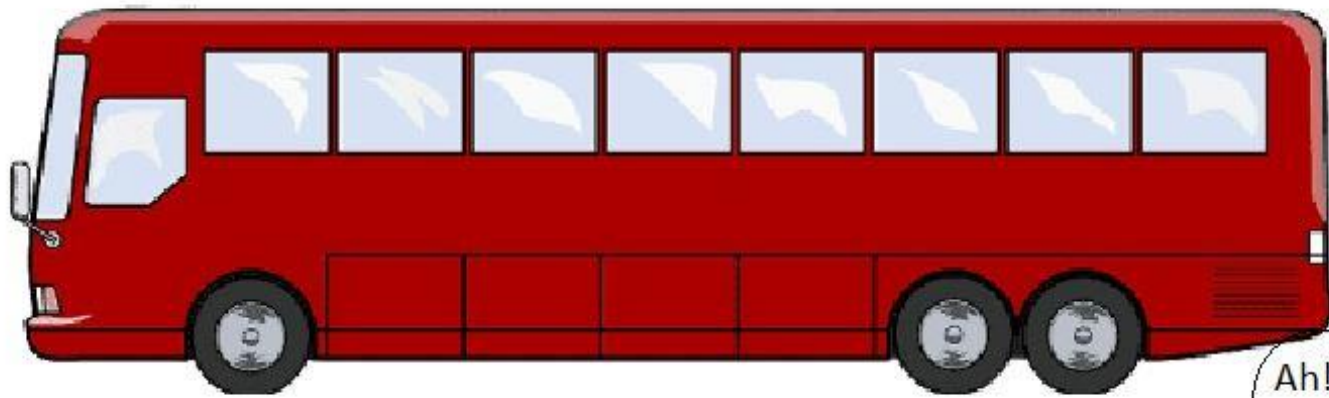

Gentlemen,
What's the
problem here?
Why aren't you
getting on the
bus?

It's this black
guy here. He
thinks he can
travel with us.
Tell him he is
not allowed to
come near us.
That'll teach
him!

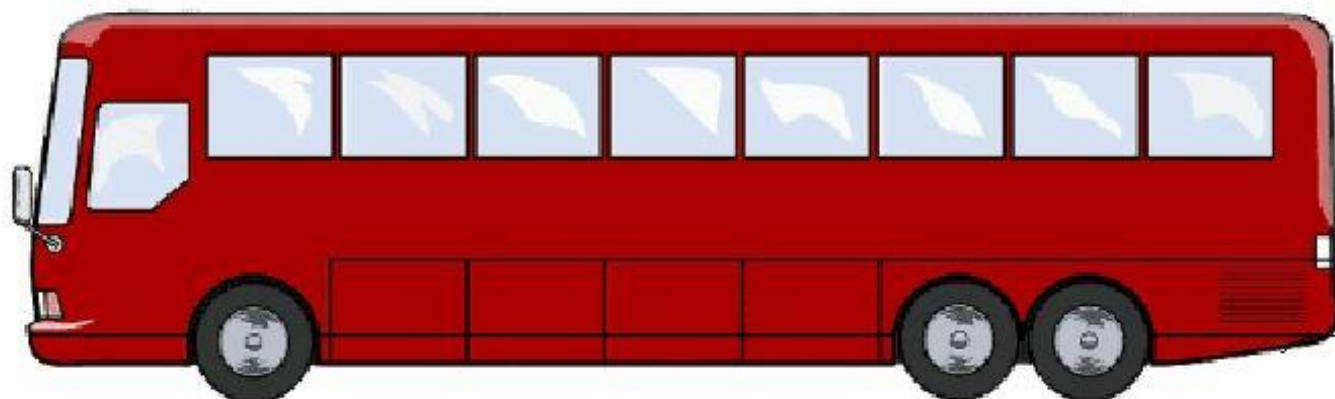

He is being
rude to me
just because I
am black. I
just want to
visit my
friends
ma'am. Please
let me come.

Ah! I see what the problem is here.

Clearly, I am not going to allow one of you on my bus.

Now you tell me.

Who was right
here?
Who should I
allow on my
bus?

So, who should be allowed on the bus?

The guy on the left

The guy on the right

Feature implementation:

When the user hovers over the left button, this sad image is displayed on the right side of the screen

When the user hovers over the right button, this happy image is displayed on the right side of the screen
